BRIEF HISTORY OF THE CHC

Better known as CHC, the Canadian Hispanic Congress was incorporated at the federal level on August 15, 1983 as a non-profit corporation.

Did you know that there were many names considered for the official launch of the CHC? Hispanic Congress was chosen because of the language that unites more than 20 countries regardless of our specific customs and cultures.

OUR VISION

In 2021, the CHC has started with a new directive whose focus is the #1milliontogether campaign. We are more than a million Hispanics in Canada but that number has no significance if we are not united. Together we can achieve a lot! We invite you to become members of the CHC and work with us on all the projects planned for 2021. Interested parties, contact membership services.

CHC BOARD OF DIRECTORS

MESSAGE FROM THE PRESIDENT

"First of all I would like to thank the board and acknowledge their excellent work during the last two months preparing our projects to support the community. Our mission is to empower the community through unification. To achieve that there are several conversations that need to be had as Hispanics in general and specifically Hispanics in Canada. The first issue is racism, which we feel from outside but more importantly what exists among ourselves. During the month of February I invite you to be part of this conversation. It will not be easy , but nothing worthwhile is. "

Michelle Riutort
